

SETTING THE STANDARD - COMMUNITY SUPPORT

100% Participation in United Way

by Kirk Leoni

Nathan Wechsler & Company employees continue to set the bar for community support by achieving 100% participation in the 2012 United Way campaign for the fourth year in a row.

Nathan Wechsler & Company has been a long time supporter of the important work of the United Way, and we are pleased to have once again achieved 100% participation from our entire staff. Nathan Wechsler & Company has a strong culture of giving back to the community through volunteerism and services.
